## Called in Bomber Sale

BUFFALO IN - Officials of country and that Hawke was and Mozambique in Africa. the U.S. Central Intelligence the pilot. Agency, including its director, face subpoenas in the trial of three men charged with conspiring to export illegally B-26 bombers to Portugal.

Judge John O. Henderson of U.S. District Court here directed Wednesday that subpoenas he issued for CIA Dipoenas he issued for CIA Director Richard Helms and 10 others, including Richard M. Bissell, past deputy director of Portuguese colonies of Angola peg. Man. the CIA. .

The subpoenes were requested by Edwin Marger of Miami Beach, Fla., a lawyer for John R. Hawke, 28, one of the defendants.

The government charges the deal involved exporting 20 World War II bombers to Portugal in the spring and sum-ber of 1965. The government contends seven of the bombers were actually flown to that

ing in Ft. Lauderdale, Fla., bomber in international affairs says he was arrested Sept. 17. and what the lawyer called "its 1965, in Miami, Fla., by federal export without government liagents even though the CIA cense." backed the venture. The CIA Also on trial with Hawke has denied this.

Also on trial with Hawke are Henri de Montmarin, 58, a

the pilot.

Hawke, a former British Royal Air Force pilot, now liverage and Bissell to testify on previous CIA use of the B20
